The inaugural **Trail Champions Benefit Ride** will showcase the recreational/transportation greenway system we have in our own backyard. Available to residents and visitors alike, it is free to use and fully accessible. As the trails pass through or near towns, the local businesses can benefit from the 160,000+ users per year. The picturesque scenery and natural habitats you have access to provide ecological services and character to our communities.

While use is free and family friendly, constructing and maintaining the system is not. The members of the **Council on Greenways & Trails** work together to build and operate this trail system and they have hired a Greenways Coordinator to be a full-time central point of contact, project manager and educator. This ride benefits the continued work of the Council.

What a Ride!

- ◆ 60 miles from Titusville to Foxburg - - Escorted and interpreted along the way
- ◆ Catered and additional pleasant surprises for participants
- ◆ Shuttle service provided
- ◆ Ride shirt and other keepsakes from your trip
- ◆ Local lodging is available pre- and post-ride (additional expense)

What you need: bike, helmet, comfortable clothing, adventurous curiosity

Lodging available: Night prior \$100 at Caboose Motel; night following \$200 at Foxburg Inn (additional expenses)

The **Council on Greenways & Trails** is a partnership of the following municipalities and organizations, and a Coordinator hired to serve all of Crawford and Venango Counties, plus contiguous trail systems. The Council serves as the managing entity of the organization with one representative from each of the partners. We find funding and complete trail and other greenways conservation projects then market and utilize them appropriately.
